COMPANY PROFILE

Our services were designed with your productivity and essential needs in mind. You expect safe, efficient, and reliable transportation. Golden Limousine International delivers time after time. Whether you are traveling to a Pure Michigan location, needing transportation for a corporate function, arranging airport transportation or simply seeking a new adventure — Golden services are in order.

Since 1992, Golden Limousine International has been perfecting the art of client service and contentment. Our growth to an international level occurred from listening to the requests of our clients and creating an international service to match our Golden Standards. We pride ourselves in discovering the wishes of our clients and turning them into reality.

Explore the world through our windows and you will discover why we say, *"The World is Golden!"*

A GOLDEN FLEET

Our vehicles are the latest models, expertly maintained and immaculate are not only expectations, but requirements. Our limousine services are impeccable in style and service, while our shuttle and charter buses will transport your group with ease. The comfort and the latest amenities to our vehicles will only reaffirm that your choice to utilize Golden for your luxury transportation needs was a wise choice.

With many types of vehicles to choose from, we have a vehicle that will fit any size group or event.
